RECHARGEABLE L.E.D HEAD LAMPS

120
LUMENS

71424

250
LUMENS

71426

PATENT PROTECTED

The new Narva Advanced Lighting Systems (ALS) range includes two premium quality rechargeable Head Lamps. Allowing hands free illumination these Head Lamps are ideal for workshop, trade and leisure applications.

Rechargeable L.E.D Head Lamps feature:

- 2-3 hour charge time
- User friendly brightness memory
- Magnetised detachable lamp allows the lamp to be used separately
- Glow in the dark locator allows users to locate the units in the dark
- IP65 dust and water resistant
- Charge via USB lead
- Lithium battery with no memory effect
- 2 Year L.E.D Warranty

Featuring a unique detachable lamp with integrated magnet for increased user applications, these Head Lamps are incredibly versatile. Providing up to 5 hours operating time, both units are rechargeable via USB lead and come with a 240V adaptor.

71426 allows selection between a powerful spot beam with 60 metre beam pattern or 120 degree flood light. There is also an option to combine the spot or flood beam with an arc shaped flood beam for even more powerful lighting. It is also equipped with a motion activated sensor allowing touch free use..

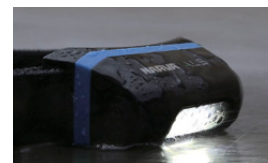

Both head lamps are equipped with a brightness memory function. Simply leave the lamp on for 5 seconds and it will remember the brightness setting for the next use.

Lamp is easily detached from the head strap housing

Can be safely fixed to any metal surface using the strong magnet

IP65 Dust and water resistant

Glow in the dark locator

Rechargeable L.E.D Head Lamp Part No. 71424

Features:

- High efficiency COB L.E.D provides 120 Lumens
- Select from 2.5 hours operating time at 100% (120Lm) or 5 hours operating time at 50% output (60Lm)
- 120 degree beam angle for increased field of view

3.7V 800mAh Li-poly battery provides 2.5 hours to 5 hours operating time, 2-3 hours charging time

Lightweight 163g

Powerful magnet allows lamp to be securely attached to any metal surface

Impact resistant high quality housing and adjustable head strap

Rechargeable L.E.D Head Lamp Part No. 71426

Features:

- 2 x COB L.E.Ds provide 250 lumen 120 degree angle flood beam
- 1 x High Power L.E.D spotlight providing 150 lumens and 60m beam distance
- Arc shaped COB L.E.D provides 120 lumen flood beam
- Motion activated sensor allows the user to turn the Head Lamp on and off without touching it
- 2.5 – 3 hours continuous use

3.8V 1600mAh Li-poly battery provides up to 3 hours operating time, 2-3 hours recharging time

Lightweight 200g

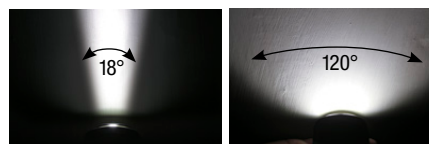

Spot beam: High power L.E.D – 150 lumen
Flood beam: COB L.E.D – 250 lumen
Arc beam: COB L.E.D – 120 lumen

Impact resistant high quality housing and adjustable head strap

Motion activated sensor

Three different illumination modes – Flood, Spot and Arc

Powerful magnet – showing arc beam
